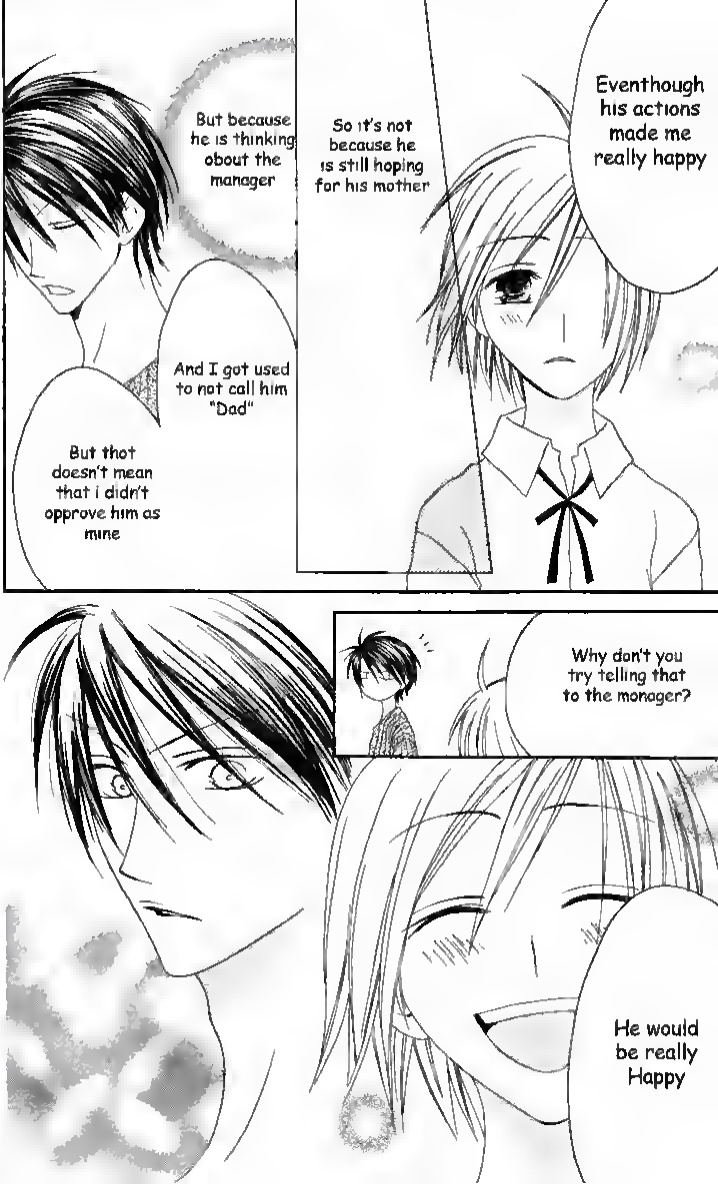
I couldn't make him as my dad
Eventhough that person—
Is the first dad i've ever had



Eventhough his actions made me really happy
So it's not because he is still hoping for his mother
But because he is thinking about the manager
And I got used to not call him "Dad"
But that doesn't mean that i didn't approve him as mine
Why don't you try telling that to the manager?
He would be really Happy

If that's so, I'll come another time
Ah Sorry!
Today we are closed
Thank You very Much
